A mentor must:

- d. be someone that is not related to the participant.
- e. be willing to be a mentor.

Please list the name of someone you would like to be your mentor and return the form to the Christian Education office. Once approved, the participant will need to ask the person if they would be willing to be a mentor. Mentors should be identified by October 1, 2011.

Part 2

I am willing to mentor _____, who is a participant in the 2011 Seekers Confirmation program. I am willing to meet with this youth on a regular basis in order to participate, guide, and discuss our spiritual journey. I understand we both have the support of the advisors and members of the congregation during this time. Although there may be some hesitation, we enter into this agreement with joy, knowing that we are called to support one another through our baptismal vows.
