Outreach
Spending

In 2011, GPMC membership gave away over \$200,000. We do so as those who are called to share the blessings of God. Most of our giving is to groups and people with whom we are either directly involved through member participation or with whom we have been involved in past years.

Our directed funding is voted on by the Outreach Council with a goal of balancing local, national, and international support. A summary of directed funding recipients for 2011 can be found on our website.

A local recipient for Hunger Offerings is chosen for each month. Donations by the congregation are matched up to \$2,000 per month.

Hunger Offerings in 2012 will go to:

Everyone Eats, Lighthouse, Second Mile Center, Detroit Garden Resources, CROP Walk, COTS Meals on Wheels, Fort St. Open Door, Crossroads, Salvation Army, Forgotten Harvest, and Gleaners.
